Welcome to the 2025 BorderLight Theatre Festival

Where the unexpected takes center stage.

BorderLight's mission is to present innovative theatre that inspires, builds cross-cultural understanding, and celebrates the diversity of the human experience.

Get ready for four exhilarating days of bold, original, and unforgettable performance. This year's festival is 100% Fringe—unfiltered, unconventional, and full of discovery. With 40+ productions across 16 stages in the Playhouse Square neighborhood, you'll binge on theatre, explore new ideas, and connect with artists from Cleveland, the U.S., and around the world.

From comedy and drama to storytelling, immersive works, and experimental gems, Fringe is the heart of BorderLight. Build your schedule with a 4-, 8-, or 12-Show Binge-on-Fringe Ticket Pack, and catch free outdoor performances on Playhouse Square Plaza and throughout the district—just look for the "Free" stamp in this guide.
